

**Our Process:**

We specialize in short-run, quick turn-around printing of custom logos on preassembled, coffee sleeves. We print in Black/Grayscale and single colors of Red, Blue, Orange and Green on high quality Natural or White colored sleeves made by Java Jacket®. These sleeves are made from 100% recycled material with up to 60% being post-consumer material.

We only print on the front of the sleeve as our process uses pre-assembled blank sleeves and the back (natural sleeve) has a seam with a patent number and also the tagline “60% Recycled Paper, 40% Post-Consumer”.

**Sleeve Sizes:**

The standard sleeves are specifically designed to fit most 12, 16 & 20 oz cups. There is also a small sleeve available to fit an 8oz cup. All prices are the same for large and small sleeves.

**Pricing:**

We offer 4 standard case sizes for your convenience. A case of Natural sleeves with Black print in quantities of 1300 for \$95.00, 1000 for \$79.00, 500 for \$49.00 or 250 for \$30.00. White sleeves with Black print for \$99.00, \$82.00, \$52.00 and \$32.00 respectively. Add \$5.00 per case for single color printing in Red, Blue, Orange or Green.

**Other Charges:**

There are no set-up charges. The only additional charge is shipping via UPS Ground. Prices will vary depending on address and size of case. Shipping is free, within the contiguous U.S., when ordering 5 or more cases.

**Free Proof:**

For a free proof, simply send your artwork in .jpg, .pdf, .psd, .eps, or .tif, (in 300dpi or higher for best results) to [graphics@customcupsleeves.com](mailto:graphics@customcupsleeves.com). We will adjust your artwork to fit our sleeves, print a few to scan and email a digital copy back to you for your approval. We will also mail you a physical proof if requested.

**Turnaround Time:**

While printing times will vary with the quantity ordered, it typically only takes 1-3 business days after proof approval for us to print and ship your order.
